

ARDSLEY HISTORICAL SOCIETY

The Society is continuing a project to make the archive history of Ardsley available on our website ardsleyhistoricalsociety.org. Two years ago we purchased a computer and the needed software. As there are continuing costs of updating information we need your help to complete this project.

We ask you to join or renew your membership for the coming year.

Since 1982 we have been gathering historical information about the Village of Ardsley. We have information from many of our older residents as well as Oral Histories on videotapes by many residents reminiscing about the past. We have completed research on the history of Ashford Avenue and documented houses on our main street. We have given lectures in the Ardsley schools as well as giving monetary awards to graduating seniors. Three times a year our members receive our informational newsletters filled with reminiscences of old Ardsley. Won't you volunteer your time to help us in our endeavors AND become an active member by sending in your dues for this year?

Our social meetings are held in October, November, December, March, April and May in the Community Room of the Ardsley Public Library. Members enjoy the programs, socialization and refreshments. The hours for the Society's office are Tuesdays, 10 AM to noon and by appointment. Our phone/message machine number is 914-693-6027. If you have any historic materials you would like to donate to the Society, please let us know. If you would like to be interviewed for an Oral History video, call us and we'll be there in a flash.

As always we welcome your comments and suggestions. Please help finance the archives project when you join us as a new member or renew your membership. We need your help with this project.
